Address: Mr Volker TÜRK, United Nations High Commissioner for human rights

Mr Volker TÜRK (United Nations High Commissioner for human rights): No, it is obviously and one of those issues that preoccupied all of us in particular last year with the expulsion of the Armenians from Azerbaijan, from the territory of Nagorno-Karabakh, and we have actually undertaken a number of missions, in particular to Armenia, to find out more about what happened to them and it is part of our dialogue both with Azerbaijan and Armenia to find a solution to this.

There is, of course, the right to return. There is the right to ensure that the properties are respected and protected and it is really important that the peace process continues and that part of the peace process is also issues of accountability and transitional justice.

Thank you.
